About Us

Elibo Media is a premier full-service event production and multimedia company specializing in documentary film making, photography, and comprehensive event solutions.

With a passion for storytelling and meticulous attention to detail, we transform visions into unforgettable experiences.

Our expertise spans live events, cultural celebrations, corporate functions, and bespoke documentaries, ensuring every project is executed with creativity, professionalism, and technical excellence.

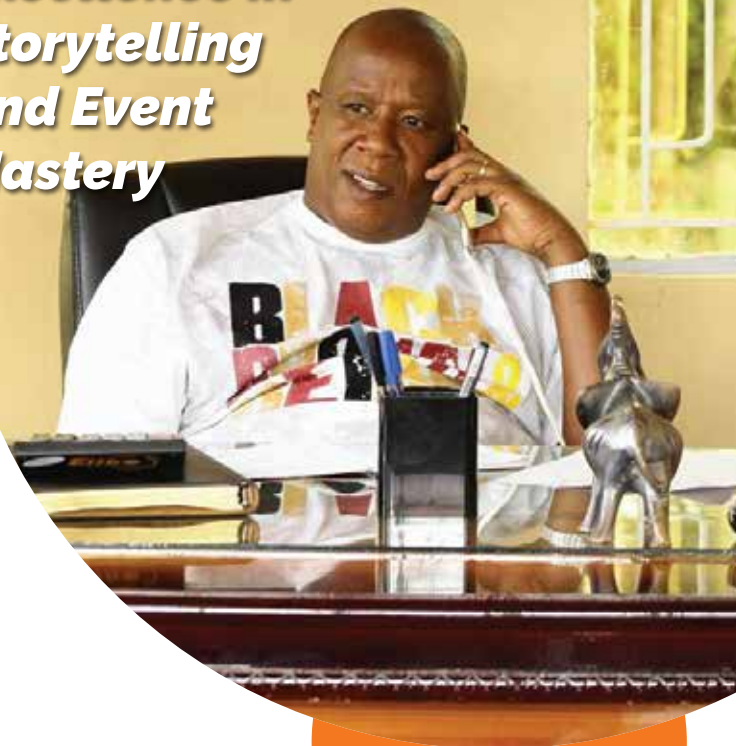

About Us

Since 2008, Elibo Media has been a trusted partner for clients seeking unparalleled multimedia production and seamless event execution. We've honed our craft in blending creativity with precision, delivering documentaries, photography, and turnkey events that resonate deeply with audiences and leave lasting impressions.

From intimate gatherings to grand-scale productions, our journey has equipped us with the expertise to anticipate challenges, innovate solutions, and elevate every project. We've captured the heartbeat of over 750 events, documented stories across Kenya, Uganda, Rwanda and Tanzania and pioneered the integration of cutting-edge technology like drone cinematography and multi-platform live streaming to meet evolving client needs.

***Your Event,
Our Expertise***

Milestones

Elibo Media began as Elibo Sounds in 2008, specializing in audio excellence. We rebranded to Elibo Media, expanding our capabilities to offer full-service multimedia and event solutions.

This pivotal shift allowed us to integrate photography, videography, and event planning into our core services, transforming us into a one-stop creative powerhouse.

2010

***Sound to
Storytelling***

We marked our first international footprint with groundbreaking events in Uganda and Tanzania, showcasing our ability to adapt to diverse cultural and logistical demands.

These milestones cemented our reputation as a Pan-African innovator in event production.

2016

Crossing Borders

We achieved a landmark feat by seamlessly serving over 15,000 congregants at the St. Peter and Paul Catholic Church in Kiambu.

Leveraging our PA systems, live streaming, HD screens, and crowd management expertise, this project demonstrated our capacity to deliver precision at scale, setting a benchmark for largescale spiritual and community events.

2018

***Scaling New
Heights***

Building on our East African success, we launched operations in Rwanda, offering our signature blend of technology-driven event solutions and documentary storytelling. This expansion reinforced our commitment to uniting communities through immersive experiences.

2022

***Expanding
Horizons***
